Welcome to the Watershed Management Learning Community | a new 4-month virtual learning program

AUGUST - DECEMBER 2022

TEN PARTICIPANTS FROM NINE COUNTRIES will engage in a virtual learning community of practitioners through monthly live convenings and access to asynchronous resources and discussion boards on the learning platform TalentLMS. Participants represent a variety of organizations including the U.S. Agency for International Development, national governments and NGOs. Each participant will be paired with a Forest Service International Programs Seminar alumni mentor and will be encouraged to engage with Forest Service practitioners and partners.

TOPICS:

-  Watershed Basics & Conditions Framework
-  Watershed Management & Interventions
-  Environmental Conflict & Justice
-  Ecosystem Services & Payment Schemes

THEMES:

-  Partnerships
-  Community Engagement
-  Resilience
-  Gender Integration
-  Leadership

Forest Service International Programs is excited about this new program and looks forward to welcoming participants to a learning environment that values the diversity in experience and background that each individual will bring to the new Watershed Management Learning Community.
